- Fit: Action back or elasticated waist for comfort and flexibility
- Color: Usually available in navy, black, or other workwear-standard colors
- Washable: Machine washable and easy to care for

DETAILS:

Full Description

The DELUX Polycotton Boilersuit is a high-quality, full-body coverall designed for maximum durability and comfort in demanding work environments. Crafted from a strong polycotton fabric (typically a 65% polyester / 35% cotton blend), it offers the perfect balance of breathability and toughness, making it suitable for long work hours.

This boilersuit features a concealed front zip closure, multiple utility pockets for tools and accessories, and an action back design for ease of movement. Elasticated waists or adjustable cuffs may also be included, depending on the model, to ensure a better fit and added comfort.

Best Use
