

PRODUCT NAME:

LED FESTOON KITS

PRODUCT CODE/S:

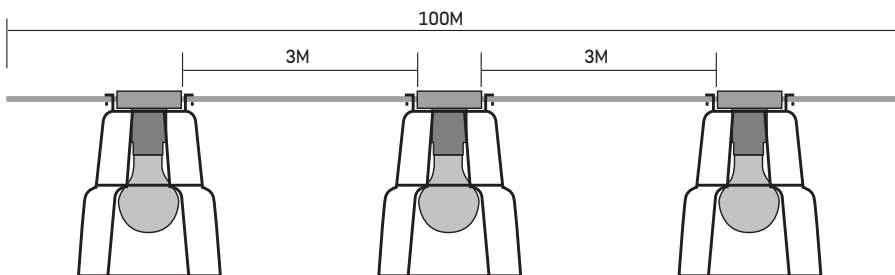

EL2167LED - 100M
EL2168LED - 25M

KEY FEATURES:

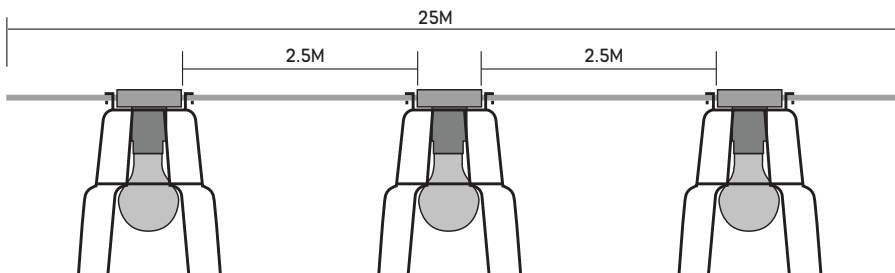

60 WATT
 EL2168LED : 25 METRE 2.5M SPACING
 EL2167LED : 100 METRE 3M SPACING
 Each light is made from shockproof plastic with frosted lens caps. Suitable for use on building sites.
 Eliminates the unscrewing of bulbs which sets this product apart from the more traditional festoons.
 Built-in mounting points remove the need for ceiling hooks or poles.
