

PRODUCT NAME:

ROAD CONE

PRODUCT CODE/S:

JS0902 - 75CM ROADHOG CONE
 JS1901 - 50CM SAND BASE ROAD CONE
 JS3901 - 75CM NAVIGATOR ROAD CONE

OVERVIEW

THESE HIGH-QUALITY TRAFFIC CONES ARE DESIGNED FOR EFFECTIVE ROAD SAFETY AND TRAFFIC MANAGEMENT. CONSTRUCTED FROM DURABLE, WEATHER-RESISTANT MATERIALS, EACH CONE ENSURES LONG-TERM OUTDOOR PERFORMANCE WHILE MAINTAINING HIGH VISIBILITY IN ALL LIGHTING CONDITIONS.

WHETHER IT'S THE 75CM ROADHOG CONE (1 PIECE), THE 50CM SAND BASE ROAD CONE, OR THE 75CM NAVIGATOR ROAD CONE, EACH MODEL IS ENGINEERED FOR STABILITY AND FUNCTIONALITY, MAKING THEM IDEAL FOR CONSTRUCTION SITES, ROAD CLOSURES, AND EVENT CROWD MANAGEMENT.

DETAILS:

Key Features:

- **High-Visibility Reflective Sleeve** for enhanced night-time visibility
- Durable Construction** – UV and weather-resistant materials
- Stackable Design** for easy storage and transport
- Weighted Base Options** (Sand Base/Navigator) for stability in high winds
- One-piece or modular construction** depending on model

Technical Specifications:

1. **Height:** 50 cm / 75 cm (depending on model)
- Material:** High-density polyethylene (HDPE) or PVC
- Base Type:** Sand-filled / Weighted / One-piece molded base
- Reflective Collar:** Class 2 high-visibility reflective sleeve
- Weight:** Approx. 3 – 7 kg (varies by model & base type)
- UV Resistance:** Yes – UV-stabilised for long outdoor life

Ideal For:

1. **Roadworks and construction zones**
- Traffic control and parking management**
- Schools, airports, events, and temporary barriers**
- Pedestrian safety and public access restrictions**
