

**PRODUCT NAME:**

LED BEANIE

**PRODUCT CODE/S:**

CL8521

**KEY FEATURES:**

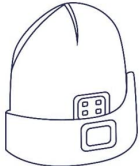

Comfortable, warm, and washable, our Unisex Lighted Beanie Cap provides incredible hands-free lighting so you can get on with things in cold days. This one-size-fits-all beanie hat with light is made from an ultra-soft acrylic blend that provides excellent insulation against cold winter air. With 8 hours of runtime on a single charge, will always light your way when you need it. Its standard USB port allows you to charge in the car, with your computer, or using a portable power bank. No matter what you want to do, this hand free lighted hat is up for the challenge. It's waterproof and perfect for dog walking, running, jogging, camping, fishing, biking, grilling, auto repair, and more.
