

**PRODUCT NAME:**

**LED RECHARGE TELESCOPIC 100 W**

**PRODUCT CODE/S:**

**EL2184LED**

**OVERVIEW**

**THIS LED RECHARGEABLE TRIPOD LIGHT IS DESIGNED TO DELIVER POWERFUL ILLUMINATION FOR BOTH INDOOR AND OUTDOOR SETTINGS. WITH A HIGH-CAPACITY BATTERY AND MULTIPLE BRIGHTNESS LEVELS, IT PROVIDES FLEXIBILITY AND LONG-LASTING PERFORMANCE. ITS HEAVY-DUTY DESIGN, COMBINED WITH AN IP44 RATING, ENSURES DURABILITY IN TOUGH ENVIRONMENTS.**

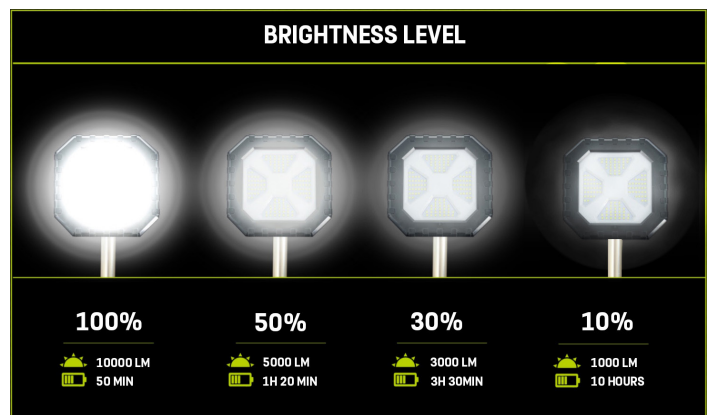

**DETAILS:**

**Key Features:**

- **Rotating 360°:** Adjustable rotation allows you to direct light exactly where needed.
- **4 Brightness Settings:** From 1000 to 10000 lumens, choose the right level of brightness with simple button controls.
- **Heavy-Duty Handle:** Built for easy carrying and transport.
- **Durable Design:** IP44 rating ensures protection from dust and splashes.

**Specifications:**

<b>Power</b>	100watts (220v rechargeable)
<b>Brightness</b>	10000 Lumens (Max)
<b>Brightness Settings</b>	100% (10000 lumens) – Press for 3 seconds 50% (5000 lumens) – Short press 30% (3000 lumens) – Short press 10% (1000 lumens) – Short press
<b>Cable Length</b>	2 m
<b>Protection Rating</b>	IP44 (Water-resistant)
<b>Rotation</b>	360° for full coverage
<b>Handle</b>	Heavy-duty for easy portability
<b>Battery</b>	3.7v Li-ion 9000mah Capacity
<b>Charging Time</b>	approx 12hours
<b>Charging Voltage</b>	DC5V
