

DESCRIPTION & FEATURES

Weight: 20oz/560g

Unique design handle

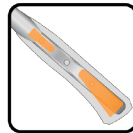

All steel drop-forged claw hammer

Heat treatment

Packed by paper card

Anti-shock handle

20oz

Overall forged

SELLING POINTS

1. The hammer handle is made of soft, non-slip rubber and TPR material coating, providing excellent comfort and strong grip, while the fiberglass structure absorbs vibration and reduces fatigue. 2. The one-piece forged hammer body is heat-treated to make the high-carbon steel more resilient and provide maximum impact strength during use. 3. The hammer body iron parts and the hammer handle are bonded with high-quality epoxy resin glue and nails, which is not
