## **SELLING POINTS**

1. 25-piece hand tool set, suitable for home decoration, toy repair, etc. 2. The handles of screwdrivers, wrenches, and pliers are all designed with INGCO's unique design, which is more non-slip and wear-resistant, and more in line with ergonomics. The pliers are heat-treated as a whole, with high strength and long service life. The cutting edge is high-frequency heat-treated, which saves effort in cutting. 3. Plastic box packaging, reasonable tool layout, beautiful shape,
