

**PRODUCT NAME:**

NYLON RAIN SUIT

**PRODUCT CODE/S:**

CL8412 , 13, 14, 15, 16

**KEY FEATURES:**

Keeps you dry despite light or heavy rains. The rain suit is guaranteed waterproof due to high density polyester, PU fabric and sealed seams. The rain suit provides innovative, lasting waterproof protection you can always rely on.

This stylish waterproof rain gear is perfectly for daily working, fishing, hiking, mills, road construction, timber harvest, agriculture, mining, shipyards, forestry, utilities, hunting, food processing.

We made the rain jacket versatile by adding an adjustable hood to it. Front zipper with storm flap keeps moisture outside the jacket. You can customize your fit easily, thanks to the adjustable elastic waist design and adjustable leg openings in the pants.

The material for the outer and inset of this rain suit was different. We used water resistance PVC coating and high-quality of PU, thick enough to keep you dry, lightweight allows you easy move too. Durable and flexible, the best choice for you to choose this durable waterproof rain suit.
